Dear Dr. Manjunath,

During my visit to Sri Jayadeva Institute of Cardiovascular Sciences & Research, yesterday to see my nephew who is under going treatment, I had the opportunity to go round the hospital and see the facilities. I was thrilled to see the state of art facilities and the patient care. The ambience, cleanliness, and the entire environment of the Hospital is beyond description. The entire credit should go to your leadership and the dynamism you have given to this Institute. Your commitment to serve the poor and common man by providing the best Health care at least cost is admirable.

I convey my best wishes to you and wish you many more years of service to the poor and downtrodden.

With regards,

Yours Sincerely

(K. Rahman Khan)
