Dear Dr Manjunath,

To call you as "Human God" is an underestimate.

You have shown the world that Government Hospital Can Provide Quality Health Care of International Standards at Government rates, possibly "The Best and the Cheapest in the World"

It is unparalell in the history of medical care anywhre in the world

This hospital should serve as role model for corporate hospitals and other state Governaments to Emulate.

I wish, you establish SJIC branches in every districts of Karnatka, may be attached local goverment medical college or District health centre.

We need this kind of Hospital for other specialities also, multi-speciality hospitals based SJIC model.

I am immensely grateful to you for sucessfully carrying out Angioplasty twice (one in 2001 and the other one on 23-04-2012, yesereday) on my Brother-in-law, Shri H.N.Chandrashekar, from Shimoga.

I wish and pray that very soon you become **Bharatha Rathna**.

Thanx and Best Regards
S Himesh
Scientist
CSIR Centre for Mathematical Modeling
and Computer Simulation (C-MMACS)
