Respected Prof Manjunath Sir

Good day

With grace of God and blessings of you all and good wishes I have reached my habitat at Prayagraj (Allahabad) .I would like to extend my sincere thanks to you for taking timely action and saving my life. I express my gratefulness towards you and would like to appreciate the caring nature of your staff as well, who had given timely care.

Many of your patients had recommended you as a very good doctor,but I am going one step further to also to recommend you as a great human being. I found more healing in your inspirational words on last meeting at your hospital.

Thanks for adding a human touch to my treatment.

Hope to meet you again.

With best regards
